September 15, 2018

To Whom It May Concern,

I would like to ask for financial support to St. Constance Parish and School for Holy Fire Event 2018.

Youth who will participate in this year event are our Catholic School and Religious Education Program students. Our school receives funds from Big Shoulders and other benefactors. It is difficult for the parents to pay extra money for this event. Those who will participate in the event are our 8th grade students who prepare for the sacrament of Confirmation. So this is also difficult because they have to pay additional fee for Confirmation preparation. We also just started our new Religious Education Program school year which is connected with additional expenses for new school year registration.

Parish will cover the expenses for transportation but we are not able to receive \$35 from each student for tickets.

Please, support our as much as possible as we could continue to send our youth to participate in events organized by Archdiocese of Chicago.

Thank you for your help

Blessings

Sr. Anna Strycharz, MCHR
Director of Religious Education
St. Constance Parish
