These are only some suggestions of the many ways other candidates have chosen to serve. The list may inspire you with some other ideas of what you might consider doing as a form of service. Perhaps you have your own special service in mind. Before making a commitment to a service project, think about the variety of ways in which you can use your talents and abilities to help others. Before making your decisions and commitments:

1. Pray to the Holy Spirit for guidance
2. Talk to your parents, sponsor,
3. Find out real needs people in your family, neighborhood, parish, school and community have.
