Dear Parents, Guardians and Students

Wishing you

Joy that sees
the beauty of small things,

Hope that never fades away
when dreams seem far away,

Peace that soothes
when everything throws you off balance,

Faith that gives support
when helplessness scares you.

Easter is the time of encouragement and hope,
Time to revive the faith in the strength of Christ
and other people.

May this Easter bring you joy and mutual kindness.
May the Risen Christ awake in us what is still sleeping,
and may His words lead us through our lives.
