

Pope Francis shared....

- × If up till now you have kept Jesus at a distance, step forward. He will receive you with open arms.
- × In this day and age, unless Christians are revolutionaries, they are not Christians. They must be revolutionaries through Grace.
- × The Holy Spirit is the mover. This is why prayer is important.
- × This is the beauty of the Church: the presence of Jesus Christ among us.
- × Let us ask ourselves today: are we open to “God’s surprises”?
- × Let us never lose hope! Let us never allow it to die in our hearts!
- × Let us therefore set aside every form of arrogance, to bend down to all who the Lord has entrusted to care.
- × God always thinks mercifully.
- × This joy is born from knowing that with him we are never alone, even at difficult moments.
- × What do I do with my life? Do I create unity around me? Or do I cause division by gossip, criticism, or envy?
- × Let what you teach be nourishment for the people of God.
- × This home is a place that teaches charity; it is a “school” of charity, which instructs me to go and encounter every person, not for profit, but for love.
- × These people need special pastoral care that respects their traditions and accompanies them to harmonious integration into the ecclesial(church community) situations in which they find themselves.
- × But there is also a deeper hunger, the hunger for a happiness that only God can satisfy, the hunger for dignity.
- × Peace requires a persistent, patient, strong, intelligent dialogue by which nothing is lost.(7)
